

# Turning the Tide

## A bright future for Bognor Regis

**Save the date for the Bognor Regis Conference!**

10am to 2pm on Friday 22 September 2017 at the award-winning Butlin's Conference Centre, Bognor Regis

We would like to invite you to come and find out why Bognor Regis is THE place to live, visit and invest in the South East.

With over £280 million invested in the town in the last few years, around £290 million currently being delivered and £970 million more planned plus 5,500 new homes, the party's already started, but there's still time to join the fun.

Come and hear why Rolls-Royce Motor Cars chose to invest in Bognor Regis, how Butlin's has transformed the resort's visitor profile to ABC1s, how the University of Chichester is doubling student numbers in Bognor Regis and why design-guru Wayne Hemingway is working on four major projects in the town...

So, what are you waiting for? Get the date in your diary! [Click here](#) to reserve your free place on the invite list or email: [BRConference@arun.gov.uk](mailto:BRConference@arun.gov.uk)

**Bognor Regis – Fit for a King!**
