

ARUN LOCAL PLAN EXAMINATION

Date: 9 April 2018

To: Neil Crowther, Group Head of Planning

Dear Mr Crowther

Arun Local Plan Examination

Thank you for your letter dated 8 March 2018 and the clarification provided by the addendum.

I can confirm that the further changes to the Main Modifications (MMs) set out in the letter and clarified by the addendum are acceptable. These should be incorporated into an updated Schedule of MMs. Please could a final version of the Schedule MMs (Word document) be sent to me taking into account these changes and others mentioned recently. It would also be helpful to have an up-to-date version of the Additional Modifications (AMs) Schedule so that I can cross check against the MMs to make sure Modifications are in the right place.

I will take account of the responses to the consultation on the MMs before reaching final conclusions on those that are required. In this respect I may make changes to those that are included in the Schedule referred to above. If the changes are significant I will give reasons for these changes in my report.

Finally it is important that all formal correspondence between me and the Council is published on the Examination website. In this respect I note that the letter dated 8 March 2018 and the addendum have been published. However, some correspondence does not appear to be included e.g. undated Council letter of about 6 December 2017 (and attachments), Council letter dated 20 December 2017 (and Note about collaboration work between ADC and WSCC), my letters dated 27 November 2017 and 12 December 2017.

If you require any clarification on these points please contact me through the Programme Officer.

Yours sincerely

Mark Dakeyne
