QUESTION ONE

From Mr Chester to the Leader of the Council, Councillor Mrs Brown

Question

In welcoming the report on the proposal for a new youth and community facility in Wick does the Leader of the Council agree that despite the differences between political parties in the District this, and work on the proposed enhanced Skate Park, exemplifies how through dialogue and consultation it is perfectly possible for Councils of different tiers and political control to work together in the best interests of residents?'

Response

Yes, of course I agree. I am not sure why you have just picked out these two examples as I believe that we work positively with all Towns and Parishes and politics does, nor should it, come into it.

We are elected to represent all residents, whatever political party they voted for and we should all remember that.
