How to pay

The Financial Year will commence in April and runs until the end of March of the following year. Your Rent Card shows fortnightly charges and the amount due in advance each fortnight after deductions.

Please ensure that rent is paid on time.

E-payments

You can now pay your rent by debit or credit card over the internet www.allpayments.net or telephone 0330 041 6497.

Direct Debit

Direct Debit remains the most cost effective and easiest method of payment. It is the cheapest way to process your payments and saves you having to remember how much and when to pay. If a mistake is made by the Council or your Bank or Building Society, you are guaranteed a full and immediate refund of the amount paid.

Direct Debits are taken weekly on Mondays or monthly on or after the 1st or 25th of the month.

To change your method of payment to Direct Debit contact the Finance Team, who can help you to arrange this, on 01903 737723.

Non payment of rent can result in serious action being taken against you, including the loss of your home.

Rent Arrears

Your rent

Your rent is due in advance, and can be paid weekly, fortnightly or monthly, as long as it is paid regularly.

You have signed a tenancy agreement which is a legal contract. If you do not pay your rent regularly and on time you will be in breach of contract.

The rent that you pay goes in part to making repairs and improvements to your property. If you pay late or miss payments, this means that we have less to spend on maintaining and improving your house. It is therefore important that you keep your rent payments up to date.

Not paying rent?

When rent payments are overdue, the Council can serve a Notice of Seeking Possession. This is the first step in a legal procedure which could lead to you losing your home.

Every year we have to evict tenants for rent arrears. In these cases the tenants will usually not be re-housed by the Council because they are considered to be intentionally homeless - as failing to pay the arrears will have led to them losing their home.

If you have problems paying it is important to contact us, and to get advice. Do not bury your head, the problem will not go away on its own.

It costs more if you get into arrears

If you get into arrears you will have to pay your rent plus the arrears, meaning more money to find every week.

If the Council has to take you to court, there will be court costs which the Court may order you to pay.

If you claim Housing Benefit and you do not tell them straight away of a change in your circumstances, you will have to re-pay any benefit overpayment too.

We can help

It is our aim for you to remain as a tenant of Arun District Council. We are here to help, and if you get into difficulty we can work with you to make an arrangement to pay off the arrears which is affordable for you. Where possible we want to avoid taking debt recovery action because this is costly for you and for the Council.

Your rent account

We will automatically send a statement every quarter (four times a year).

If you would like a statement of your rent account you can phone the Rent Arrears Team (see overleaf) or register online at www.arun.gov.uk/housing

What we do

If you are a new tenant we will send you a rent card and information on how to pay within two weeks of your tenancy starting.

We will notify you of changes in your rent every year in time for the new rent year starting in April.

We will send you a new rent card every March with details of how to pay.

If you get into arrears we will...

Send a letter automatically if your account is more than £10.00 in arrears.

Offer to help you make an arrangement to pay, and help you to make a simple weekly budget.

Ask you to come in for an interview, or visit you at home if this would help.

Serve you with Notice of Seeking Possession if you ignore our letters or do not stick to an agreement.

Take you to court if needed, and ask the court to evict you if necessary.

What to do now if you are in arrears

• If you can’t pay, contact the Rent Arrears Team as soon as your account goes into arrears to discuss an agreement to pay the arrears off before they become unmanageable.

• If you miss a payment, lose your job, or have money problems contact the Rent Arrears Team straight away.

• Get advice about help with paying your rent or help with money problems or budgeting from the CAB.

• Contact Housing Benefit and discuss making a claim or checking your claim.
