5. **Statement of intent:**
Please explain below why this area is considered appropriate to be designated as a neighbourhood area.

Two-thirds of Barnham Village lies within Eastergate Parish, the remainder being in Barnham Parish. Barnham village is however a single community, and it makes no sense to divide it into separate neighbourhoods for planning purposes.

It was therefore decided, by unanimous votes of both Parish Councils at their respective public meetings early in 2012, to develop one neighbourhood plan covering the whole of both parishes, including the small village of Eastergate and the much larger village of Barnham.

This joint approach is widely supported by residents of both parishes.
