

**FERRING**  
**NEIGHBOURHOOD DEVELOPMENT PLAN**  
**REFERENDUM**

**INFORMATION FOR VOTERS**

## **About this booklet**

On 10 December 2014, there will be a referendum on a neighbourhood development plan for your area. This booklet explains more about the referendum that is going to take place and how you can take part in it. In this booklet you can find out about:

- The referendum and how you can take part
- The neighbourhood area
- The neighbourhood plan
- The development plan [of which neighbourhood plans are part]

## **Referendum on the Neighbourhood Plan**

A referendum asks you to vote 'yes' or 'no' to a question. For this referendum you will receive a ballot paper with this question:

*"Do you want Arun District Council and the South Downs National Park Authority to use the neighbourhood plan for Ferring to help it decide planning applications in the neighbourhood area?"*

## **How do I vote in the referendum?**

You vote by putting a cross (X) in the 'Yes' or 'No' box on your ballot paper. Put a cross in only **one** box or your vote will not be counted.

If more people vote 'yes' than 'no' in this referendum, then Arun District Council and South Downs National Park Authority will use the Neighbourhood Development Plan to help it decide planning applications in Ferring.

The Neighbourhood Development Plan once adopted will then become part of the Development Plan. In the Arun District Council Local Planning Authority area the development plan currently consists of the adopted Arun District Local Plan, 2003 saved policies edition; the adopted West Sussex Minerals Local Plan, July 2003 (saved policies edition); and the West Sussex Waste Local Plan Revised Deposit Draft, July 2004 and any 'made' Neighbourhood Development Plans or Orders.

If more people vote 'no' than 'yes', then planning applications will be decided without using the Neighbourhood Development Plan as part of the Development Plan for the local area.

## **What is Neighbourhood Planning?**

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work.

A community can prepare a neighbourhood plan. This plan can show how the community wants land to be used and developed in its area.

## **What is a neighbourhood area?**

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum (a group of at least 21 people in areas without town or parish councils)

In Ferring the boundary of the neighbourhood area was determined by Arun District Council in conjunction with the South Downs National Park Authority and is identical to the parish area of Ferring.

## **Who can prepare a Neighbourhood Plan?**

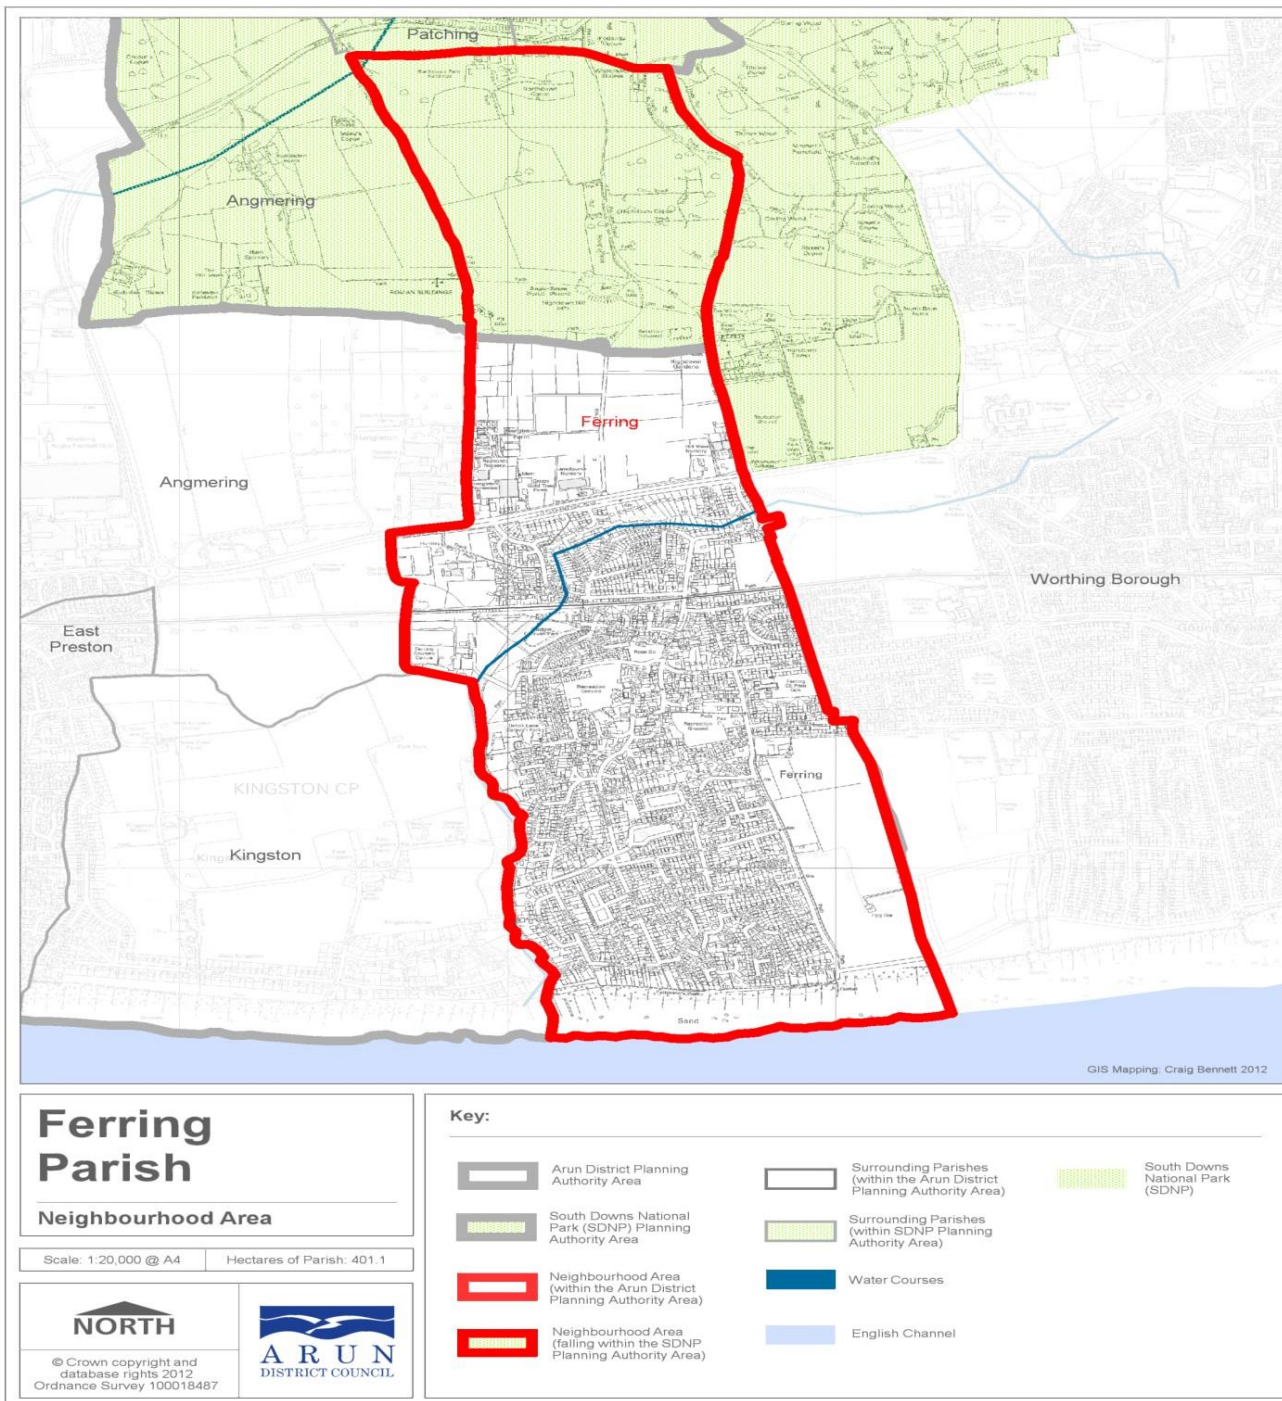

Neighbourhood plans are prepared by town or parish councils, or neighbourhood forums. In this case, the Ferring Neighbourhood Development Plan was prepared by Ferring Parish Council.

## **What is a Development Plan?**

In England, planning applications are determined by local planning authorities in accordance with the Development Plan. A Development Plan is a set of documents that set out the policies for the development and use of land across the entire local authority area. Within the Arun District, the local planning authority is Arun District Council.

## **Neighbourhood Planning in Ferring**

The Referendum area is identified on the map overleaf as the parish area of Ferring Parish Council and is identical to the area which has been designated as the Ferring Neighbourhood Development Plan area.

## Referendum expenses

Expenses can be incurred by an individual or body during the period of the referendum for referendum purposes.

The Referendum expenses limit that will apply in relation to the Referendum is £2590.86. The number of persons entitled to vote in the Referendum by reference to which the limit has been calculated is 3879.
