

Arun District Council – Committee Document Viewer Help

Screen Navigation

Meetings will be displayed in date order.

Use the dropdown list to filter documents for the selected meeting.

Click the page navigation buttons to move between pages.

Use the page dropdown list to jump to a different page.

Click the document button to open the document (if the button is greyed-out then no document exists).

Document Viewer

You will need Adobe Reader to view the documents. You can get a copy of this from www.get.adobe.com/uk/reader

Click the thumbnail button to toggle the thumbnail view on and off.

Click the bookmark button to toggle the bookmarks on and off (clicking a bookmark will take you straight to the bookmark).

Click the search button to toggle the search for content on and off. (some parts of the document will not be searchable)

If you are unable to see the Document Viewer Buttons, you may need to “right click” the adobe window and select “Show Navigation Pane Buttons”.
