EXECUTIVE SUMMARY:
Approval is sought for the expenditure of £31,800 for the installation of: a footbridge, paths and bunds at West Park, Aldwick to improve access into and through the park. It will be funded by a grant to the value of £24,800 from SITA Trust (to be claimed retrospectively) with the balance of £7,000 coming from within existing Parks and Greenspace resources. This will create a new access point to the northwest of the park and a new pedestrian path running along the western and southern perimeters. The bunds (constructed with the spoil from the path construction) will discourage unauthorised vehicle access to West Park.

REASONS FOR THE DECISION:
To enable the awarding of the contract whilst following the Council’s standing orders.
